## **Appendix 1 - PCRS-UK Guidelines**

### **Appointment to Committees /Working parties**

- Clear criteria (skills, experience) identified for the position to be appointed
- Consideration is given to the most likely /appropriate source of candidates
  - Candidates should normally be full members of the PCRS-UK: however the need for specific skills /experience may require candidates from outside the PCRS-UK membership. Such candidates would be appointed in an advisory capacity' and would not have voting rights on the Committee
- The proposed recruitment process should be agreed with the PCRS-UK Executive Chair /CE and may include one of more of the following:
  - Advertising to PCRS-UK membership
  - Advertising beyond the membership (cost effectiveness however must be borne in mind)
  - Identification of individuals from the 'succession planning' database
  - Identification of candidate via PCRS-UK member contacts
- Open, transparent advertising processes are to be encouraged but should not be mandatory if a well matched candidate for the role is already known (and there are unlikely to be others within the wider membership) and /or the appointment is part of the wider PCRS-UK succession /development plan
- Formal short listing and interviewing processes (against transparent criteria) should be used where there is more than one candidate for the role
- All candidates should be asked to provide a supporting statement (and CV) confirming their interest in the role
- Recommended candidate with supporting rationale is put to PCRS-UK Executive for approval

### **Terms of Office**

- Appointments to committees are normally made for a period of 3 years (shorter appointments may be made in agreement with the Committee Chair /lead)
- Appointments are reviewed towards the end of the 3 year period and if deemed appropriate /desirable by the Committee /individual can be recommended for renewed for up to a further 3 years.
- All re-appointments must be approved by the PCRS-UK Executive and must take account of the wider PCRS-UK 'succession plan' (Committee Chairs /leads should check with Succession Planning Working Party before negotiating re-appointments)
- There should be no limit on the number of times an individual is re-appointed to a Committee, provided the Committee and PCRS-UK Executive are convinced they are adding unique value and are not putting a barrier in the way of new people joining the Committee.
