

Respiratory Champions and PwSI Update

The General Practice Airways Group (GPIAG) is the voice of respiratory primary care and is well established as an independent and authoritative professional society, supporting the development and delivery of optimal respiratory health. Building on the success of previous meetings held to provide support to respiratory leaders and PwSIs, the GPIAG Respiratory Leaders Faculty are pleased to announce the following programme.

Respiratory Champions and PwSI Update 27th-28th November 2009 Cranage Hall, Manchester

What's the purpose of the meeting?

- To provide an update on the changing NHS and an opportunity to debate key clinical and service delivery issues in respiratory medicine.
- Provide a forum to exchange ideas and support individuals by addressing specific challenges being faced in improving respiratory services in their own local area.

What's in the programme?

The current NHS Landscape - where are we now	Siân Williams
Key learning points and key barriers to success	Group Work
Respiratory care: Avoiding admissions	Siân Williams
